

Inscriptions may be 2 - 5 lines in length. The cost of the entry depends upon the number of lines and whether or not you have a floral motif, crest or personal illustration. Inscriptions and decorations cannot be added at a later date. You can have virtually anything, for example an animal, military crest or something depicting a hobby.

The first line is for the name of the deceased person you would like to remember, only one person's name can be on this line. The name is inscribed in larger letters and can be up to 26 letters and spaces. Following lines are for dates as required, and wording of your choice. Please see the examples in the box to the right.

Please write your inscription in the grid box overleaf, with one letter per box and leaving a blank box between words.

If you would like your entry to appear on a certain date you will need to make sure your application is sent to us on time. Below is a list of the volumes, the months in each volume and when we need to have the application forms and payment.
