BOOK OF  
REMEMBRANCE

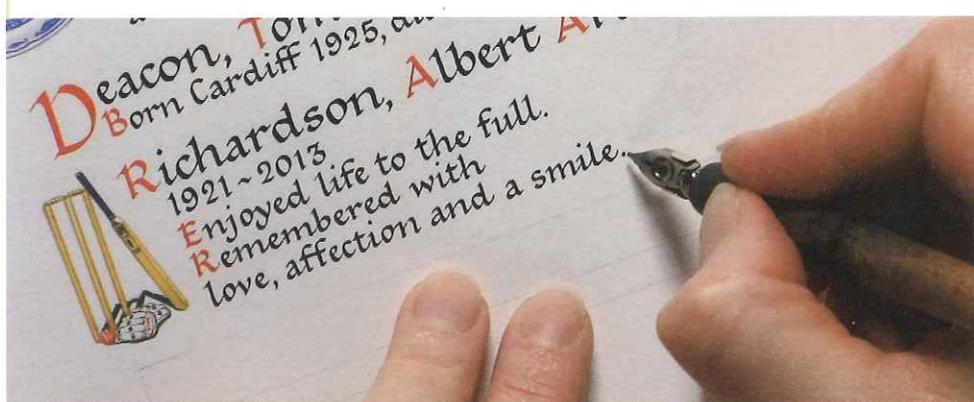

*The Book* consists of four volumes, each covering three months of the year, and is hand-made throughout using traditional bookbinding techniques. The vellum binding bears the Borough Coat of Arms hand-painted in full colour, and is richly embellished with gold leaf tooling and semi-precious stones.

Two pages are allocated to each day of the year, and the Book is displayed open at the current date in the Remembrance Room West so that entries may be seen on each anniversary.

Each entry can be viewed on the touchscreen in the Remembrance Room any day you visit. It can also be viewed by you, friends and family from anywhere in the world by going to our website [www.mortlakecrematorium.org](http://www.mortlakecrematorium.org). Staff are happy to show you how to use the touchscreen and search for entries online.

The memorial entries are carefully inscribed by highly skilled craftsmen with the wording of your choice, usually under the date of death or, if specifically requested, another date of an anniversary or special day.

The first line consists of the surname and first names, together with any title or decoration. Following lines are for dates as required, and wording of your choice. Entries are between two and five lines.

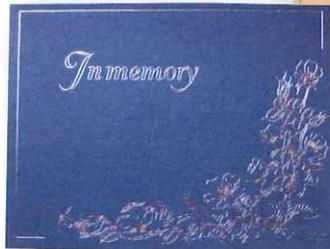

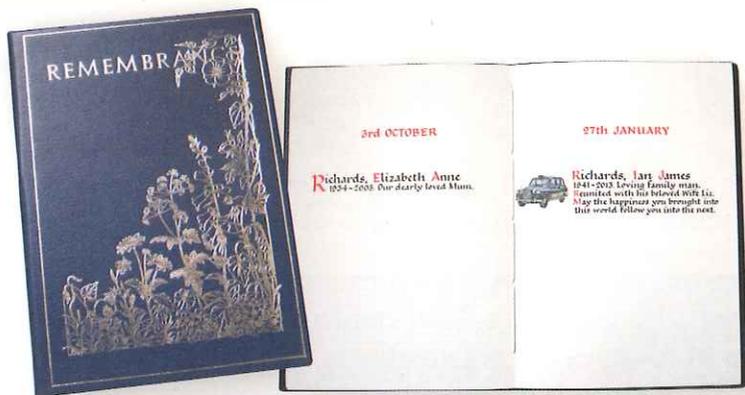

With entries of five lines, a hand-painted emblem may be included. This could be a floral emblem, animals and birds, badges of societies and organisations, regimental badges, crests and coats of arms. If there is a particular motif you would like, please provide a clear colour example for the artist to work from. There are further examples on the application form.

*Copies of inscriptions* are a record or memento to treasure personally or to send to relatives and friends. Copies can be supplied on either a memorial card or in a miniature Book of Remembrance. Inside each, underneath the date of entry, carefully penned by the artists, is a copy of the original inscription as it appears in the Book of Remembrance including an emblem if requested.

The card (178 x 127mm) is available with either (a) a blue floral design or (b) a beige cross design gold-blocked on the front.

Cards are supplied in a clear wallet with protective backing.

The navy blue leather miniature book (203 x 152mm) is gold blocked with a floral design (c). The book can be inscribed with further entries on subsequent pages, and is supplied in a protective box.

*Endowment donation fund* Donations over £30 will be acknowledged by a two-line entry in the Endowment Book, which can be viewed each year on the anniversary of the death or any other significant date - birthday or anniversary. The Endowment Book is kept in a glass cabinet in the Remembrance Room West. Donations fund improvements to the gardens.
